Dear John:

Thank you again for a fabulous and dynamic presentation this morning! You kept the audience engaged for two hours, which is really tough. And, you were a pleasure to work with.

We also received very positive feedback from our guests; "outstanding", "fantastic", "entertaining and effective", "plan to buy a copy of the book for every one of my employees" and all around "great".

I had a feeling you would be a great speaker, and you exceeded those expectations. Thanks again.

Very truly yours,

Vicki
