Dear John:

Thank you for making sitting through a conference presentation such fun! I received such glowing comments that I just had to let you know about them.

My conference participants complete evaluation sheets on all speakers and your results could not have been better. On a scale of 5 to 1, with 5 being Excellent and 1 being Poor: "5" – 75%, "4" – 25%. Some of the comments I received were – "Bring John back again next year – he was both entertaining and informative." "What a speaker/entertainer – a perfect 'wake me back up after lunch' speaker – good content, too". You received one of the highest evaluation ratings of all our speakers this year. I would also like to say it was a pleasure to meet you and your wife – you are a delight.

Please feel free to contact me if you have any questions.

Yours truly,

Joyce Wagner
