Dear John,

On behalf of the Rocky Mountain Business Travelers Association, I would like to thank you for your wonderful keynote address on Tuesday.

What can I say, other than... Bullseye!

John, your presentation was dead-on accurate. Great content, great energy and a brain full of ideas to put into action. And the fact that you customized your content to relate directly to our industry was unanticipated and highly appreciated. As many of our members remarked to me as they walked out the door, "This is the best presentation we've had in years." Your information is relevant, timely and immediately usable. Bravo.

We look forward to having you speak again at a chapter meeting or national convention. Again, thank you.

Sincerely,

Lynelle Lahey
